PVC/Vac Transparent Sealer **PENGUIN SEAL # 255A**

Penguin Seal # 255A is a PVC/Vac transparent sealer for automotive quarter window and rubber gasket, tail lamp lens and lamp housing.

a). Characteristics

1. Transparent and fine looking sealing
2. Good adhesion to glass and painted panels
3. Cures at room temperature

b). Applications

1. Hand application at room temperature curing

c). Physical Properties

Appearance	: Transparent Paste
Viscosity (20°C)	: 4×10^5 cps
Specific Gravity	: 1.12
Non-Volatile Content (%)	: 54.0 %
Heat Resistance	: Good
Peel Strength (kg/25mm)	: 2.7
Water Resistance	: Good
Low Temp. Resistance (-20°C)	: Good
Weather-O-Meter Test (100 hrs)	: No Change

d). Precautions

1. Keep at cool and dry place
2. Keep away from sunshine

e). Packaging

Tube 180ml
